

Field of application: average electric tools, light supply, etc.
 Compact, super silent design. Automatic shut down if low oil level is detected. USB-Charging socket. Info-Display. Load dependent torque control. Two Schuko-sockets.
 Parallel operation with same additional genset possible.

3015 E-P/YHBA SuperSilent

Order-No.: 986003
 GTIN: 4038469232669

Alternator	Inverter
El. capacity: 1~ cos φ 1,0	2600 VA
Voltage 1~	230 V
Max. sum. current 1~	11,3 A
Frequency	50 Hz
Safety class alternator	IP 23
Engine type	Yamaha MZ175
Number of cylinders	1
Torque-speed	variable
Fuel type	Gasoline
Engine oil capacity	0,6 l
Engine power	3,5 kW
Cooling engine/alternator	Air / Air
Tank capacity	6 l
Operating time: full load / half load	3,6 h
Weight	41 kg
Dimensions L x W x H	593 x 445 x 521mm
Noise power level L ^{WA}	96 dB(A)
